**SCOPE OF THE CONFERENCE**

**GENERAL TOPICS OF INTEREST**

**INTELLIGENT APPLICATIONS**

**EMERGENT INTELLIGENT TECHNOLOGIES**

---

**CALL FOR CONTRIBUTIONS**

**CALL FOR PAPERS**

Contributions are invited from prospective authors with interests in the indicated conference topics and related areas of application. All contributions should be high quality, original and not published elsewhere or submitted for publication during the review period. Please see the web site for details of the required paper format. Papers will be thoroughly reviewed by the International Program Committee, and may be accepted for oral or poster presentation. Full papers accepted for the conference proceedings will be published in Elsevier’s Procedia Computer Science open-access journal, available in ScienceDirect and submitted to be indexed/abstracted in CPCi (ISI conferences and part of the Web of Science), Engineering Index (EI) and Scopus.

**CALL FOR INVITED SESSIONS AND WORKSHOPS**

We invite researchers on new topics and fresh ideas in the field to organise invited sessions, or parallel workshops of a half or full day, gathering a minimum of six papers. Contact the Conference Secretariat enclosing the title and content of the proposed session, and tentatively involved research teams. We also welcome suggestions for other activities that will appeal to our delegates.

**INTELLIGENT SYSTEMS RESEARCH PROGRESS WORKSHOP (ISRPW)**

ISRPW is a one-day workshop taking place during the conference. Work-in-progress papers on all aspects of intelligent systems are invited from research students (doctoral and masters students) more senior researchers, members of faculty and anyone wishing to bring their work to attention of the research community. Accepted papers will be presented in the dedicated workshop session and published in 'Advances in Smart Systems Research' in the KES Open Access Library (KOALA), making them widely available to the research community. Workshop papers are not included in the main conference Elsevier Procedia proceedings.
